

### ***Problem 3b:***

The two sets of rectangles for the two tests were specified using:

- **First test** (above picture):
  - Window is 900 x 600
  - **8** rectangles
  - Initial points at **(50, 10)** and **(150, 80)**.
- **Second test** (picture to the right):
  - Window is 350 x 500
  - **5** rectangles
  - Initial points at **(50, 50)** and **(100, 130)**.
