Problem 3a: The pictures to the right show *three* tests of problem3a – two tests in the top picture, plus one more test in the bottom picture.

The window in the *top* picture is **350 x 250**. It has TWO tests of **problem3a** on it. The two rectangles for the two tests were specified using:

- Left rectangle: Points at:
  - **(100, 100)** and
  - **(150, 180)**.
- Right rectangle: Points at:
  - **(250, 100)** and
  - **(200, 180)**.

The window in the *bottom* picture is **400 x 200**. Its rectangle was specified using points at:

- **(100, 100)** and **(200, 150)**.
